PROFESSIONAL SUMMARY

Marketing Manager based in Dubai with 5+ years of experience across digital marketing, content strategy, social media, SEO, and brand building - for fitness, luxury interiors, and lifestyle brands in the UAE and India.

Specialist in educational content marketing and brand storytelling: producing reels, short-form video, and campaigns that build audience trust, grow engagement, and convert followers into qualified leads. Proven SEO track record - ranking multiple brands on page one of Google without relying on paid spend alone. Strong hands-on experience in paid media (Meta Ads, Google Ads), CRM automation (Zoho), e-commerce, influencer marketing, and full-funnel execution. Employment Visa valid until February 2028. Immediately available for roles in Dubai.

PROFESSIONAL EXPERIENCE

Marketing Manager | Spartan Athletique & Fortezza Technical Services (Group) - Dubai, UAE | *Dec 2023 - Present*

Dual-brand marketing role: premium fitness equipment (Spartan Athletique) and luxury interiors fit-out (Fortezza Technical Services) - managing full digital marketing, content, SEO, and brand strategy independently across both brands.

- Drove organic social media growth across Instagram, TikTok, YouTube, and LinkedIn - producing reels, short-form videos, carousels, and mixed informational/entertainment content generating 3,000-12,000 views per reel; grew Spartan Athletique's Instagram from 250 to 1,000+ followers and LinkedIn from 100 to 1,350+ followers organically.
- Executed end-to-end SEO strategy (keyword research, on-page, technical, local SEO) ranking Spartan Athletique's website and Google Business Profile on page 1 of Google results - driving consistent organic traffic and qualified inbound enquiries monthly.
- Generated approx. 13 inbound leads per week across social, website, and direct channels - consistently converting a minimum of 4 into international clients, with strong traction from Saudi Arabia and Qatar.
- Managed and optimised Google Business Profile for Spartan Athletique, improving local search discoverability across Dubai; built and designed conversion-focused landing pages in Figma, coordinating developers to deliver campaign assets on time.
- Planned and managed Meta Ads and Google Ads campaigns - audience segmentation, A/B creative testing, retargeting, and budget optimisation - achieving 75+ qualified enquiries and 750+ weekly site visits on an AED 3,200 paid media budget.
- Built Spartan Athletique's brand identity from scratch - developed full brand guidelines, visual language, and produced all company assets including business cards, pitch decks, and client presentations.
- Produced all in-house photography, videography, motion graphics, and reels for product storytelling, customer education, and campaign use - eliminating agency costs and maintaining full creative control.
- Led a 3-phase e-commerce platform build (Wix MVP to custom WordPress) - coordinating with external agencies on site builds and feature updates; integrated payment gateways, product catalogues, and UX improvements, and managed Zoho CRM, chatbot integrations, and lead capture automation.
- Represented Spartan Athletique at Dubai trade events including Dubai Muscle Show - managing logistics, booth setup, and on-site lead capture to drive brand visibility and inbound pipeline.

Marketing Executive & Content Creator | Cruising Club India - North Goa, India | *Jan 2023 - Sep 2023*

End-to-end digital marketing and content production for luxury yacht parties, weddings, and private events.

- Planned and executed paid and organic campaigns for luxury yacht events, weddings, and private functions - managing full guest acquisition funnel.

- Produced all on-site photography and video content during yacht events and premium client shoots; delivered fast-turnaround assets for social media, website, and print.
- Managed influencer partnerships and external creative partners; coordinated briefs, schedules, and quality standards before and after events.
- Ran Google and Meta ad campaigns for seasonal promotions - managing targeting, budgets, and creative variations to improve reach and conversion efficiency.
- Built and optimised landing pages for event packages, improving enquiry generation through structured content and clear UX.

Training Faculty & IT Support | Libra Computers - Mapusa, Goa, India | *Jul 2022 - Dec 2022*

- Delivered curricula in digital marketing, Adobe Creative Suite, social media, SEO, and Google Ads - achieving 85% graduate placement rate within 6 months.
- Improved student comprehension by approx. 30% through hands-on, project-based training; increased enrolments by approx. 20% through restructured syllabi.

Freelance Photographer & Video Editor | Self-Employed - Goa, India | *Feb 2019 - Jan 2020*

- Delivered commercial photography and video editing for SMEs, real estate agents, and event clients; processed 200+ images per week to strict deadlines.
- Generated repeat business through improved visual quality and faster turnaround times.
